Introduction

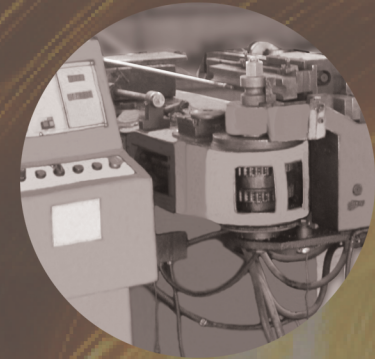

Shanghai Speed Electric Mfg.,Ltd. is a company based in Fengxian District, Shanghai China, which was founded in 2002. It enjoys the convenient transportation by neighboring Shanghai Pudong Developing area and YangShan port, which is the biggest seaport in the Far East. The product scope includes different car mufflers, catalytic converters, manifolds, engine connecting pipes, mufflers for engineering machine and other accessories. We are a comprehensive company, integrating product design, development, manufacture, and trading. With many specialists from different fields, we have gained the certificate of European TUV and are in process of TS 16949. Our target market covers a large area of domestic area, America, Japan, Europe, Middle East, East and south Asia, etc., 70% of our products exports to the foreign countries and 30% supplies to the domestic car manufacturers.
