

# Car bench Product Price List

	Item No.	Product Name	Product Pict.	Unit price(EXW)	Remarks
U.S Frame Rack system	SY-B30L			6300USD	Q345B manganese plate annular platform with cross-shaped locking holes (6150×2260×500MM), single-side lifting (10 tons), double-loaded pull tower [(2000×160MM); 10 tons of maximum hydraulic thrust; 12MM high-strength chain], One pull-up arm, two domestic pneumatic pumps, including four sets of adjustable heavy-duty main fixtures (06 main fixtures), one set-up system (including tire brackets, mobile trolleys), 16 high-strength tensile clamps, tool carts One set, one kit, random data (including model data)
	SY-70E			8700USD	Q345B manganese plate annular platform (6150×2260×300-1050MM), vertical lifting (a set of 20 tons high pressure oil cylinder), double loading tower [(2000×160MM), 10 tons maximum hydraulic thrust; 12MM high strength chain], one Upper pull arm, integrated hydraulic pump station, four sets of adjustable heavy-duty main fixtures, one set of loading system (including tire bracket, mobile trolley) 21 pieces of high-strength tensile clamp, one set of tool cart, one set of tool kit, random data (including model data)
Euro Bench system	SY-T2	Auto collision repair bench equipment		7000USD	Size: L 3140* W880mm Mini Height: 120mm Lifting Height: 1600mm Lifting Capacity: 2500kg
	SY-T7			19000USD	Price based on bench length of 5.5m Bench Length of 5m / 5.5m / 6.3m are available Lifting Capacity: 4200kg / 4500kg
In-floor system	SY-3000	In-floor system for quick repair		2700USD	Frame rail ground fixing system: one set of sheet metal heavy duty triangle pull tower; two sets of fixed arm; four sets of main fixture; one set of pneumatic hydraulic pump; one set of support ball anchor seat; one set of high pressure oil cylinder (including base, bracket, chain) Wheel, pin shaft, φ26 circlip 2, post group over-joint, branch ball joint plate); one set of manual hydraulic pump; 8 chain for stretching; 4 sets of chain anchor for ground gossip; 1 set for pull-down pulley ; 16 pieces of sheet metal tools; 1 set of tool hanging boards, 1 set of 10T split jacks
	SY-5000			2500USD	Floating surface ground fixed system: one set of heavy-duty round pull tower; one set of auxiliary pull arm; one set of high-pressure oil cylinder; four sets of main fixture; one set of pneumatic hydraulic pump; ground fixed uniform set (including ground anchor 18, ground fixed board Four pieces); 8 stretching chains; 14 pieces of sheet metal tools; 1 set of tool hanging boards
