ABOUT US

Toolya accessory Co.,LTD has been a traditional promotional bag manufactory since 2007,focus on promotional bags from the first day it established.Have been Cooperated with different TOP500 brands for 10 years, like P&G , Pepsi and Nestle Etc..

2017 year is a special year for Toolya, we started to cooperate for small projects like 300pcs OEM order.By this way,clients all over the world can get service from Toolya. No matter you are a big company or individual,you can get variously customized bags with your logo printing here.

In the competitive market-place,it is a key to offer bags with good price,nice design,fast delivery and good quality. In order to gain above advantages,R&D department,printing workshop and sewing workshop are working very smoothly in Toolya,with monthly capacity of over two million pieces. Once you get a idea,Toolya will offer satisfied design and make it reality.We are confident to help you finish each promotion project effectively.

A company is only as good as its people. At Toolya, we have a team that's second to none in its dedication, expertise and professionalism. Meanwhile, The principle of "efficiency,sincerity" has infiltrated the management policy and become the core of the company. You will share effective service for your any request and sincerely treatment in all of our cooperation time.
