DONGGUAN BRANCH

SAILING ®

Shen Zhen Sailing Electronic Co., Ltd is a hi-tech enterprise integrated with products development, mould making, plastic moulding, painting, printing and electronics production.

Our company was founded in 1999, covering 20000 square meters in Bao an district, Shenzhen with over 600 employees. Our factory practices ISO9001 quality certification system and management system for modernized production and can develop new products in a short period.

We mainly supply the following products: Car DVR, Multi-function phone holder, Car FM transmitter, Bluetooth car kit, Car charger with Bluetooth and FM transmitter, Bluetooth Smart LED Bulb.

Our quality policy is "Practical administration, Best products and Reliable service".

APP
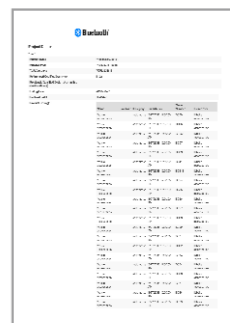

HUD-001

Car Head Up Display

Hands-free | Support APP | Bluetooth | Rotating speed | voice assistant | navigation
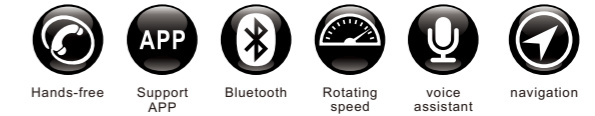

1. Display the virtual image which is 2M ahead of the car, Let the driver's sight is already on the road
2. Support car speed/car rotating speed display
3. Support Carplay/Google Auto car platform,plug and play
4. Support voice control or key to make a call after mobile phone connected.
5. Support voice control or key to start the navigation after mobile phone connected.
6. Support music, audio books and other apps developed for Carplay and Google Auto
7. steering wheel remote control and voice control, safe and convenient
8. Support one button to cut off /light up screen, security and convenience

4. MP3/WMA music play in Micro SD Card/U-disk mode
5. LED Display with voltage/current detection
6. Additional Cigar lighter(12-24V) max output 4A
7. Call Echo Cancellation and CVC tech

Bluetooth Car Charger

Hands-free | FM Transmitter | USB charger | Bluetooth | Aux-in

1. Bluetooth V2.1 Hands-free calling
2. Independent Bluetooth start/shut down button/Hands-free
3. Bluetooth stereo music play
4. Call Echo Cancellation and Noise Reduction (CVC) technology
5. Dual USB ports, provide power to other devices and
   the maximum output 5V/2.1A
6. Aux-in function
7. FM87.5-108.0MHz full FM frequency
8. Supports for reading USB formusic play

Car Bluetooth Power Adapter

Hands-free | FM Transmitter | USB charger | voltage detection | Bluetooth | 12V-24V

1. Bluetooth V4.2
2. Supports MP3/WMA format music play
3. LED Display
4. USB1 supports U-Disk and 5V/1A output
5. USB2 supports QC3.0(3.6V-12V/3A max)
6. Supports car battery voltage detection
7. FM frequency 87.5-108.0MHz
8. Supports A2DP
9. Dual car cigar ports 12V-24V output
10. Output power:70W

Qualcomm
Quick Charge **3.0**

## 2-Socket Car Charger Adaptor

USB charger   12V-24V   voltage detection

1. Dual cigarette lighters with independent switches
2. Three USB car chargers with charging recognition Max output (USB1+USB2=2.4A; USB3=2.4A)
3. Short circuit protection of Lighter
4. Detection of Car battery voltage
5. USB Charging current display
6. Protection of over current/voltage and short circuit when USB charging

Two-way plug USB
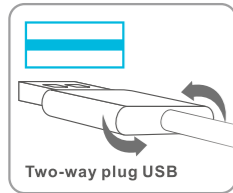

Bluetooth Phone Holder
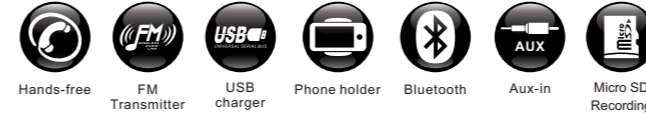

Hands-free   FM Transmitter   USB charger   Phone holder   Bluetooth   Aux-in   Micro SD Recording

1. Bluetooth V 4.2
2. LED display 1.8 inch
3. USB1 output 5V/1A
4. USB2 output 5V/2.4A and supports charging identification (with car charger)
5. Supports for Micro SD Card 1G to 32G
6. Car locator function(optional)
7. AUX-IN function
8. Supports music format MP3,WMA
9. FM frequency 87.5-108.0MHZ

BT-8112A

Bluetooth Phone Holder

Hands-free | FM Transmitter | USB charger | Phone holder | Bluetooth | Micro SD Recording

1. Bluetooth V 4.1+EDR
2.Supports for Micro SD Card 1G to 32G
3. USB1 output 5V/1A
4. USB2 output 5V/2.4A and supports charging identification
   (with car charger)
5. Car locator function(optional)
6. Supports Muisc format MP3, WMA
7. Supports audio navigation
8. FM frequency 89MHZ,90.5MHZ,101.8MHZ,107.7MHZ
