Care for your pet NOW!

petoneer

Meet the Petoneer Team

We are a young, dynamic team of pet lovers with sheer love for our furry friends. Backed by years rich in engineering experience and in-depth knowledge of smart home, Petoneer is here to improve your pets' lives through the development of groundbreaking intelligent gadgets.

Our expertise in embedding design and cloud computing, app-development enables us to deliver cutting-edge and robust products. With vertical facilities from tooling, SMT to assembly, we provide in-house development and manufacturing for prototyping and on-going product delivery.

We deliver cloud-enabled and app-enabled intelligence to catering devices, air treatment, and pet entertaining, which will definitely improve pets' health and well-being.

It's only just the beginning.

what is the TDS
value of Fresco Pro**

The App-enabled Pet Gadgets get smarter with Amazon Alexa and Google Assistant

Petoneer commits to making you and your furry family live more comfortable, more convenient.

You can now control your Petoneer Smart Fountain and Smart Feeder with your voice thanks to Amazon Alexa and Google Assistant !

From now on, you can feed your beloved ones by saying:

“Alexa, ask Petoneer Feed a Portion on Nutri.”

Now on the weekend, you don't have to get up to feed a particular meal without finding your phone or making a trip to your pet's place.

Enjoy your sleep-in!

Life should be easy! Your furry family deserves it too!

About SkyRC

SkyRC Technology Co., Ltd. is one of the most reputable manufacturers for R/C power system and radio control related products in China.

Our company has been established in year 2008 with R&D team and manufacturing facility headquartered in Shenzhen, China.
