WHO WE ARE

We are making progress because of you. We are specialized in creating unparalleled commercial and resident space for you. We are always shifting the diversity of our lines which inspired by the imagination of the future. We will never stop on the way to find out the best solution for you. Day by day, never say never.

Evoking the beauty of the natural stone. By exploring the intrinsic character of granite and marble, we carefully select our collections from an ample range of exotic stones of different colors, veins and textures. Processing by sophisticated machine, professional craftsman and rigorous procedures, the natural stones are brought to you with our heart and soul to adapt to the latest trend of the design of the dream architectures.

Keeping innovation in mind. We are discovering innovative materials and finishes base on the most fierce market competition and the capacity of research and develop unmatched by other companies. We are working with all kinds of professionals who will establish and maintain to deliver the highest-quality of products and warmest customer service.

Driving by the demand of you. We are devoting to creating a safer, more beautiful, more durable, more recyclable space for you by applying avant-garde technology and advanced knowledge of architecture. We are providing interior and exterior applications rather than products.

We would like to invite you to witness the development of us. Here you can looking forward into the leading edge of the future.

WHAT IS VALUABLE

A SGS audited supplier,
A quality management system with ISO 9001:2000 standard,
A BSI member in good standing,
A member of science and technology association....

Edge Polishing

MAJOR WANFU ASSETS ARE

- More than 200 employees with broad experience,
- More than 20000 square meters high tech factories,
- With it's own quarries which including an ample of deposits,
- Produce more than 200000 square meters a year with more than 250 different materials,
- Export to more than 100 countries in more than 20 years....

Surface Polishing

Block Cutting

CNC Edge Cutting

Edge Polishing

EQUIPMENT

- 10 block cutting machines,
- 3 middle cutting machines,
- 1 automatic calibrating/polishing machines,
- 4 CNC cutting machines,
- 2 automatic special-shaped cutting machines,ect
