CAR MODIFIED ACCESSORIES

AKTUNING COMPANY PROFILE

Established in 2008, located in Xiaolan Town, Zhongshan City, Guangdong Province, China. Zhongshan Aokai Auto Parts Manufacturing Co., Ltd is a manufacturer specializing in designing, manufacturing and selling all kinds of car parts and accessories.

Our company covers an area of about 20,000 square meters, having more than 350 employees, owning our brand **AKTUNING** and **AK**, mainly manufacturing carbon fiber series, racing steering wheel and other tuning accessories. Strong techniques support, advanced machines, standardized management system, improved after-sale service support our strong production output to USA, Europe, Japan and Middle East and other countries. Additionally, we are able to offer OEM service to meet clients' special requests. Our principle of client-orientation and integrity-first are highly praised by our domestic and overseas customers.

Aokai company focuses on product development and innovation, combining with market needs, in order to design new products to match the market. At the same time, Annually we will attend internationally and domestically well-known exhibitions, such as Canton Fair, Automechanika, SEMA show. Through industry exhibitions and Internet, our latest products will be displayed to show our competitiveness and to satisfy higher demands in car industry.

As a continually growing company, Aokai will go on offering high-performance, high-quality car parts and accessories. Not only it is our job, but our motivation as well.
