

NICEMAY

Founded in 2008, NICEMAY is a professional national high-tech enterprise specialized in smart beauty & health care apparatus. With the advantages of powerful R&D team and complete industrial chain, NICEMAY obtained several authorized certification and more than 130 proprietary intellectual property rights. Beauty apparatus, cleaning&repair, smart beauty makeup and infant & mom care are our main product categories. We have expanded our business scope all around the world.

NICEMAY determine to be the leader of world for R&D and manufacturing in smart beauty apparatus industry.

FOCUS ON INTELLIGENT BEAUTY CARE.
REFRESH YOU YOUNGER. APPROACH TO CHARISMATIC BEAUTY TOUR.

CONTENTS

- 1** | **BEAUTY APPARATUS**
Apparatus which can be used together with skin care products to affect on skin through micro electric ion, ultrasonic or photon,EMS etc.
- 2** | **CLEANSING**
Electric cleansing system with bristle ,silicone or mineral materials heads;
Electric hair remove tools,manicure and pedicure tools.
- 3** | **SILICONE**
The products made of the food grade silicone material,
through auxiliary functions to bring a soft and comfortable skin care experience.
- 4** | **BABY&MUMMY**
Electric baby cleaning
&care maternal and child supplies.
- 5** | **MAKE UP TOOLS**
Electric makeup tools.

BEAUTY APPARATUS

BJ-1357

ULTRASONIC ION SKIN SCRUBBER

Size: 47mm * 24mm * 159mm (L * W * H)

Power supply: USB cable (included)

Material: ABS

BJ-1357 Ultrasonic Ion Skin Scrubber with ultrasonic technology; high-frequency vibration cleaning hidden dirt with zero harm; And with anion leading in technology; promote the nutritional essence of multiple absorption and make skin restore elasticity.

BJ-1610 IPX5

ULTRASONIC SKIN SCRUBBER

Size: 61mm * 34.5mm * 196mm (L * W * H)

Power supply: Inductive charging

Material: ABS

BJ-1610 Ultrasonic Skin Scrubber, which combines ultrasonic, +/- ionic current and EMS 3 in 1. Effectively works for dead skin removal, nutrient leading-in, Skin tightening and lifting. Suggest to use together with skin care products 2-3 times per week, multiply the effect and regain younger looking skin.

YM-1551 THERMAL & COOL EYE MASSAGER

Size: 152.8mm*72.2mm*67mm (L*W*H) Power supply: USB cable (included) Material: ABS

YM-1551 Thermal & Cool Eye Care Device comes with three modes : relax mode, thermal mode and cool mode. Adjustable design to fit eyes counter perfectly; alternately massaged by warm and cool mode greatly improve the eye skin problems.

MR-1569A

PHOTON THERAPY BEAUTY MASK

Size: 177.5mm * 119mm * 187.5mm (L * W * H)

Power supply: Mask—USB cable (included)

Remote—1x button cell (included)

Material: ABS, PC

MR-1569A Photon Therapy Beauty Mask comes with red, blue and infrared photon lights to achieve anti-inflammatory, whitening and anti-aging effects.

**BLUE LIGHT**

Wavelength 470nm
Reduce inflammation & Kill Bacteria

**RED LIGHT**

Wavelength 635nm
Brighten the skin & Fade out pigment

**INFRARED LIGHT**

Wavelength 850nm
Active cells & firm skin

HOT&COOL
SKIN
CARE DEVICE

MR-1521
HOT&COOL SKIN CARE DEVICE

Size: 57mm * 48mm * 184mm (L * W * H)
Power supply: Inductive charging
Material: ABS

MR-1521 Hot & Cool Skin Care Device, alternately effected by 6 c cool mode and 42 c hot mode, the device introduces the nutrition into the basal cells constantly and help the cells resume flexibility and vigor.

MR-1522 IPX6
3D FACIAL CLEANSING BRUSH

Size: 61mm * 46mm * 209mm (L * W * H)
Power supply: Inductive charging
Material: ABS

MR-1522 3D Facial cleansing brush, with sonic micro vibration technology, with 0.05mm soft bristles, effectively and deeply remove dirt and makeup residual. Three speeds setting meet different cleansing need and make the cleansing experience more efficient and comfortable.

VACUUM
PORE
CLEANSER

MR-1796 IPX6
VACUUM PORE CLEANSER

Size: 62mm * 52mm * 216mm (L * W * H)
Power supply: Inductive charging
Material: ABS

MR-1796 Vacuum Pore Cleanser, with three different suction heads suitable for different areas. Three adjustable suction strengths, effectively suck out the blackhead and acne to clean pore deeply with zero harm.

MR-1310

PHOTON EYE MASSAGER

Size: 42.2mm * 42.2mm * 128mm (L * W * H)
 Power supply: 1 * AA battery(not included)
 Material: ABS

MR-1310 Photon Eye Massager, with red and yellow light to activate cells around eyes skin , 360° arc massage head can relieve the eye pressure, smooth fine lines; Use together with eye care product to fade your eyes pigment, effectively brighten your eyes.

MR-1592

SONIC PHOTON EYE MASSAGER

Size: 24mm * 25mm * 129mm (L * W * H)
 Power supply: 1 * AAA battery(not included)
 Material: ABS

MR-1592 Sonic Photon Eye Massager, with red,blue light wave and micro current in 1, effectively improves the sub-health state of the eye skin, and achieves the effect of sterilization and anti-wrinkle.

**MR-1321**

ULTRASONIC&PHOTON BEAUTY DEVICE

Size: 51mm * 34mm * 122mm (L * W * H)
 Power supply: DC Adapter
 Material: ABS

MR-1321 Ultrasonic & Photon Beauty Device, combines hot SPA, photon,ultrasonic 3 modes in 1. Ultrasonic micro vibration in 3 million times per second penetrates into the deep layer of skin and effectively activates cells and awakes skin to make it firm, soft and smooth.

MR-1520

3D ROLLER MASSAGER

Size: 61mm * 30mm * 102mm(L * W * H)
 Power supply: no
 Material: zinc alloy, ABS

MR-1520 3D Roller Massager , "Y" shape design inspired by the feminine elegance neck arc, and diamond cutting roller with 70° angle, roll along contour of face, neck and clavicle to lift face line.

PHOTON
EYE
MASSAGER

MR-1768

V SHAPE ROLLER MASSAGER

Size: 59mm * 38.2mm * 141.3mm(L * W * H)

Material: ABS , Zinc Alloy

MR-1768 New V-shape roller massager, comes with unique design, metal handle and ABS roller, mainly for face counter and Clavicular line. 360 ° diamond-cut roller head for face lifting and firming.

PHOTON THERAPY BEAUTY MASK

MR-1737

SKIN ENERGIZING DEVICE

Size: 71.4mm * 42.68mm * 172.93mm(L * W * H)

Power Supply: Induction charging

Material: ABS

MR-1737 Skin Energizing Device brings you a new way to solving the skin problem: Specially designed for facial and eye area skin. Multi-Temperature surface and one button operation to start 5 functions : cleansing, leading-in, firming ,anti-aging ,relieving . Helps you improve the skin problem and renew skin.

MR-1633**THERMAL SONIC EYE MASSAGER**

Size: 30mm * 28mm * 146mm (L * W * H)

Power supply: Device: 1 * AAA battery (not included)

Mirror: 1 * CR2032 (included)

Material: ABS

MR-1633 Thermal sonic eye massager, it's micro current vibration relieves eyes fatigue, promotes eye around blood circulation and removes fine lines. 40°C warm care, enhances absorption of skin care products and brightens eyes around skin. Unique foldable LED mirror design, convenient for use.

**MR-1635****3D THERMAL LIPS CARE DEVICE**

Size: 30mm * 28mm * 146mm (L * W * H)

Power supply: Device: 1 * AAA battery (not included)

Mirror: 1 * CR2032 (included)

Material: ABS

MR-1635 Thermal lips care device, it's micro current vibration with thermal in 40°C, softens lips skin, plump and brightens lip color. Unique foldable LED mirror design, convenient for use.

MR-1653

AIR PURIFIER • NANO SPRAYER

Size: $\phi 88 * 150\text{mm}$ (Diameter * H)

Power supply: 3 AAA batteries(not included)/ USB external power supply

Material: ABS

MR-1653 Air Purifier · Nano Sprayer, is for hydrating skin care and air purification. Combined with nano-atomization, UV sterilization and anion electrolysis technology, the sprayer can soften the horny, moisturize skin, sterilize and purify air to meet a variety of need of daily skin care.

MR-1613A ESSENCE TONER MIST SPRAYER

Size: 42.6 mm * 89.5mm * 103.6mm(L * W * H)
Power supply: USB cable (included)
Material: ABS

MR-1613A Essence toner mist sprayer makes essence atomized into micro graininess, evenly cover your face, easily enters basal layer for better absorption. One button to auto-spray instead of hand tapping, safe and health.It's 50% nutrient saved than hand tapping.

NANO FACIAL STEAMER

ZL-1566 NANO FACIAL STEAMER

Size: 96mm * 147mm * 227mm(L * W * H)
Power supply: AC 220V
Materials: ABS

ZL-1566 Nano Facial Steamer, with nano ion steam technology,generates mineral water into nano scale hot steam. Suggest to use skin care product after 10 min's steam care to unclog pore, promote lymph system micro circulation and deep detoxification; Mist enters basal layer,moisturizing and whitening skin.The hot steam is anti-bacterial ,relieves nasal congestion,and improves sensitive skin.

ZL-1589 NANO FACIAL STEAMER

Size: 193mm * 156mm * 265mm(L * W * H)
Power supply: AC 220V
Materials: ABS

ZL-1589 Nano Facial Steamer, specially design by the human being's facial contour ,combine facial steam and nose steam 2 in 1. With temperature control technology, maintain the same temperature for 10 minutes,effectively moisture skin,soften keratin and unclog pore;Improve sensitive skin,relieve nasal congestion.
