

杭州天地人和休闲用品有限公司
HANGZHOU CONCORD LEISURE GOODS CO.,LTD.

COMPANY PROFILE

Hangzhou Concord Leisure Goods Co. Ltd. (HCC) specializes in the export and import of fitness equipment. After years' development, now there're 7 factories and branches in the name of HCC. It is located in the beautiful Hangzhou city, Zhejiang Province, 10 km away from Hangzhou Xiaoshan International Airport while 180km away from Shanghai or Ningbo Airport.

Abiding by the development strategy of "Science and technology streng then the enterprise, while industry prospers the business", the company insists on breeding production bases. At present, it owns over four excellent production enterprises, such as fitness equipment, hardware, tools and leisure production bases. The item covers treadmill, magnetic bike, spin bike, exercise bike, elliptical trainer, stepper, rowing machine, kid fitness products, therapeutic massage, electric tools, air tools, hand tools and fasteners, etc.

Believing in "Linking china with the world, serving the whole globe "oriented by the market, we research and develop new products for our clients. Based on continuous technical improvement, we design high-quality products with multifunction. Years of hard work leads to present success. To establish modern enterprise system, HCC will continue to improve the brand images, increase service functions, enhance corporation competition and explore new cooperation patterns with new and old customers to achieve win-win and even multiple wins.

HCC is now developing rapid in the market economy mode with scientific administration and efficiency promoting development. We devote ourselves to foster the company into a first-class Fitness enterprise with high reputation.
