XUANAI		8210NA	<ol style="list-style-type: none"> 1. Main material: Medical Grade Silicone +ABS 2. User Instruction: put in 2AA batteries, rotate the boom cap to turn on/off, vibration speed changes steplessly 3. Discharge time: about 30 minutes 4. Function Brief Introduction : 1. Vibrating 2. Bendable 	product size: 275mm*60mm*60mm		44.5*32*43
XUANAI		8210NB	<ol style="list-style-type: none"> 1. Main material: Medical Grade Silicone +ABS 2. User Instruction: put in 2AA batteries, rotate the boom cap to turn on/off, vibration speed changes steplessly 3. Discharge time: about 30 minutes 4. Function Brief Introduction : 1. Vibrating 2. Bendable 	product size: 235mm*50mm*50mm		44.5*32*43
XUANAI		8228N	<ol style="list-style-type: none"> 1. Main material: Medical Grade Silicone ABS 2. User Instruction: Long press to turn on/off, click to change frequencies ,12 frequencies in total for circular . 3. Discharge time: about 1 hour 4. Charge time: about 2.5hours 5. Charge pattern: 5V USB charging 6. Function Bref Introduction : Strong vibration 	Jump Eggs : 81mm*32.5mm*32.5mm hand shank: 91mm*43mm*20.5mm wire Length: 750 mm		44.5*29*47
XUANAI		8227	<ol style="list-style-type: none"> 1. Medical Grade Silicone, long press on key to start up, click to shut down. 2. W key to control frequency conversion.12 frequency focusing 3. USB charging. 4. Useful length 12CM. Max OD 1.2CM 	product size: 36mm*31mm*190mm package size: 83mm*44mm*217mm N.W: 60g		45*23.5*36
XUANAI		8230NA	<ol style="list-style-type: none"> 1. Long press to turn on/off 2. click on "W" frequency conversion 3. two powerful motors, dual function, 12 order frequency combination , 4. USB magnetic absorption charging 5. flexible waist glue can be bent at 30 degrees" 	product size: 60mm*41mm*202mm package size: 98mm*44mm*230mm NW: 176g		47.5*23.5*32
XUANAI		8232NA-1	<ol style="list-style-type: none"> 1. Medical Grade Silicone+ ABS 2. Long press to turn on/off, click on "W" frequency conversion 3. Both motors vibrate at the same time 4. 12 frequency in total 5. USB magnetic absorption charging 6. flexible waist glue can be bent at 30 degrees 	product size 75mm*40mm*205mm package size 98mm*44mm*230mm Product NW 192g		47.5*23.5*32
XUANAI		8233NA	<ol style="list-style-type: none"> 1. Long press to turn on/off 2. click on frequency conversion 3. one-button control 4. medical silicone material 5. 12 level frequency conversion 6. flexible 360 degree waist bending 7. USB charging 	product size 66mm*60mm*138mm package size 95mm*68mm*156mm Product NW 137g		32.5*35.5*40
XUANAI		8119NA-3	<ol style="list-style-type: none"> 1. Material: Medical grade silicone 2. IPX5 waterproof 3. 5 frequency thrusting, 12 frequency rotating runners 4. USB magnetic charging 5. User manual: Long press power key to turn on/off, click "W" button for vibrating, click thrusting button for thrusting 	Product size: 72*40*228mm		47.5*23.5*32
XUANAI		8231N	<ol style="list-style-type: none"> 1. Material: Medical grade silicone 2. Bendable neck 3. Magnetic charging way 4. Colorful LED lights 5. Long press for turn on/off 6. 12 Frequency vibrating 	Product size: 43x43x200mm		47.5*23.5*32

XUANAI		6118NA-2	Function Description: 12 frequency vibration frequency conversion, waist can be bent Instructions : one key operation. Long press the switch machine, point press frequency conversion Standard USB charge for long life	Product size:165x42x35mm		50x29x38
XUANAI		8249N-2	Function Description: 12 frequency vibration frequency conversion, waist can be bent Directions for use: Long press the switch machine, and click frequency conversion Standard USB charge for long life	Product size:197x37x78mm		50x29x38
XUANAI		8250N-1	Function Description: 12 frequency vibration frequency conversion, waist can be bent Instructions : one key operation. Long press the switch machine, point press frequency conversion Standard USB charge for long life	Product size:215x36x54mm		50x29x38
XUANAI		8252NA	Function Description: 12 frequency vibration frequency conversion, waist can be bent Directions for use: Long press the switch machine, and click frequency conversion Standard USB charge for long life	Product size:180x47x54mm		50x29x38

Remark:

1. The above price is EXW factory unit price.

2. The above price including Xuanai brand color box, but excluded neutral color box or client customized color box cost.

3. Products meets CE RoHS FCC standard.

4. Payment terms: Paypal, Western Union for small amount; 30% T/T deposit+70% T/T balance before shipment for big amount

5. Lead time: 3-5 working days for samples after receiving sample cost; 15~20 working days for bulk order after receiving the deposit and confirmed PPS.

6. Warranty: 12 months after buyer receiving the products
