## COMPANY PROFILE

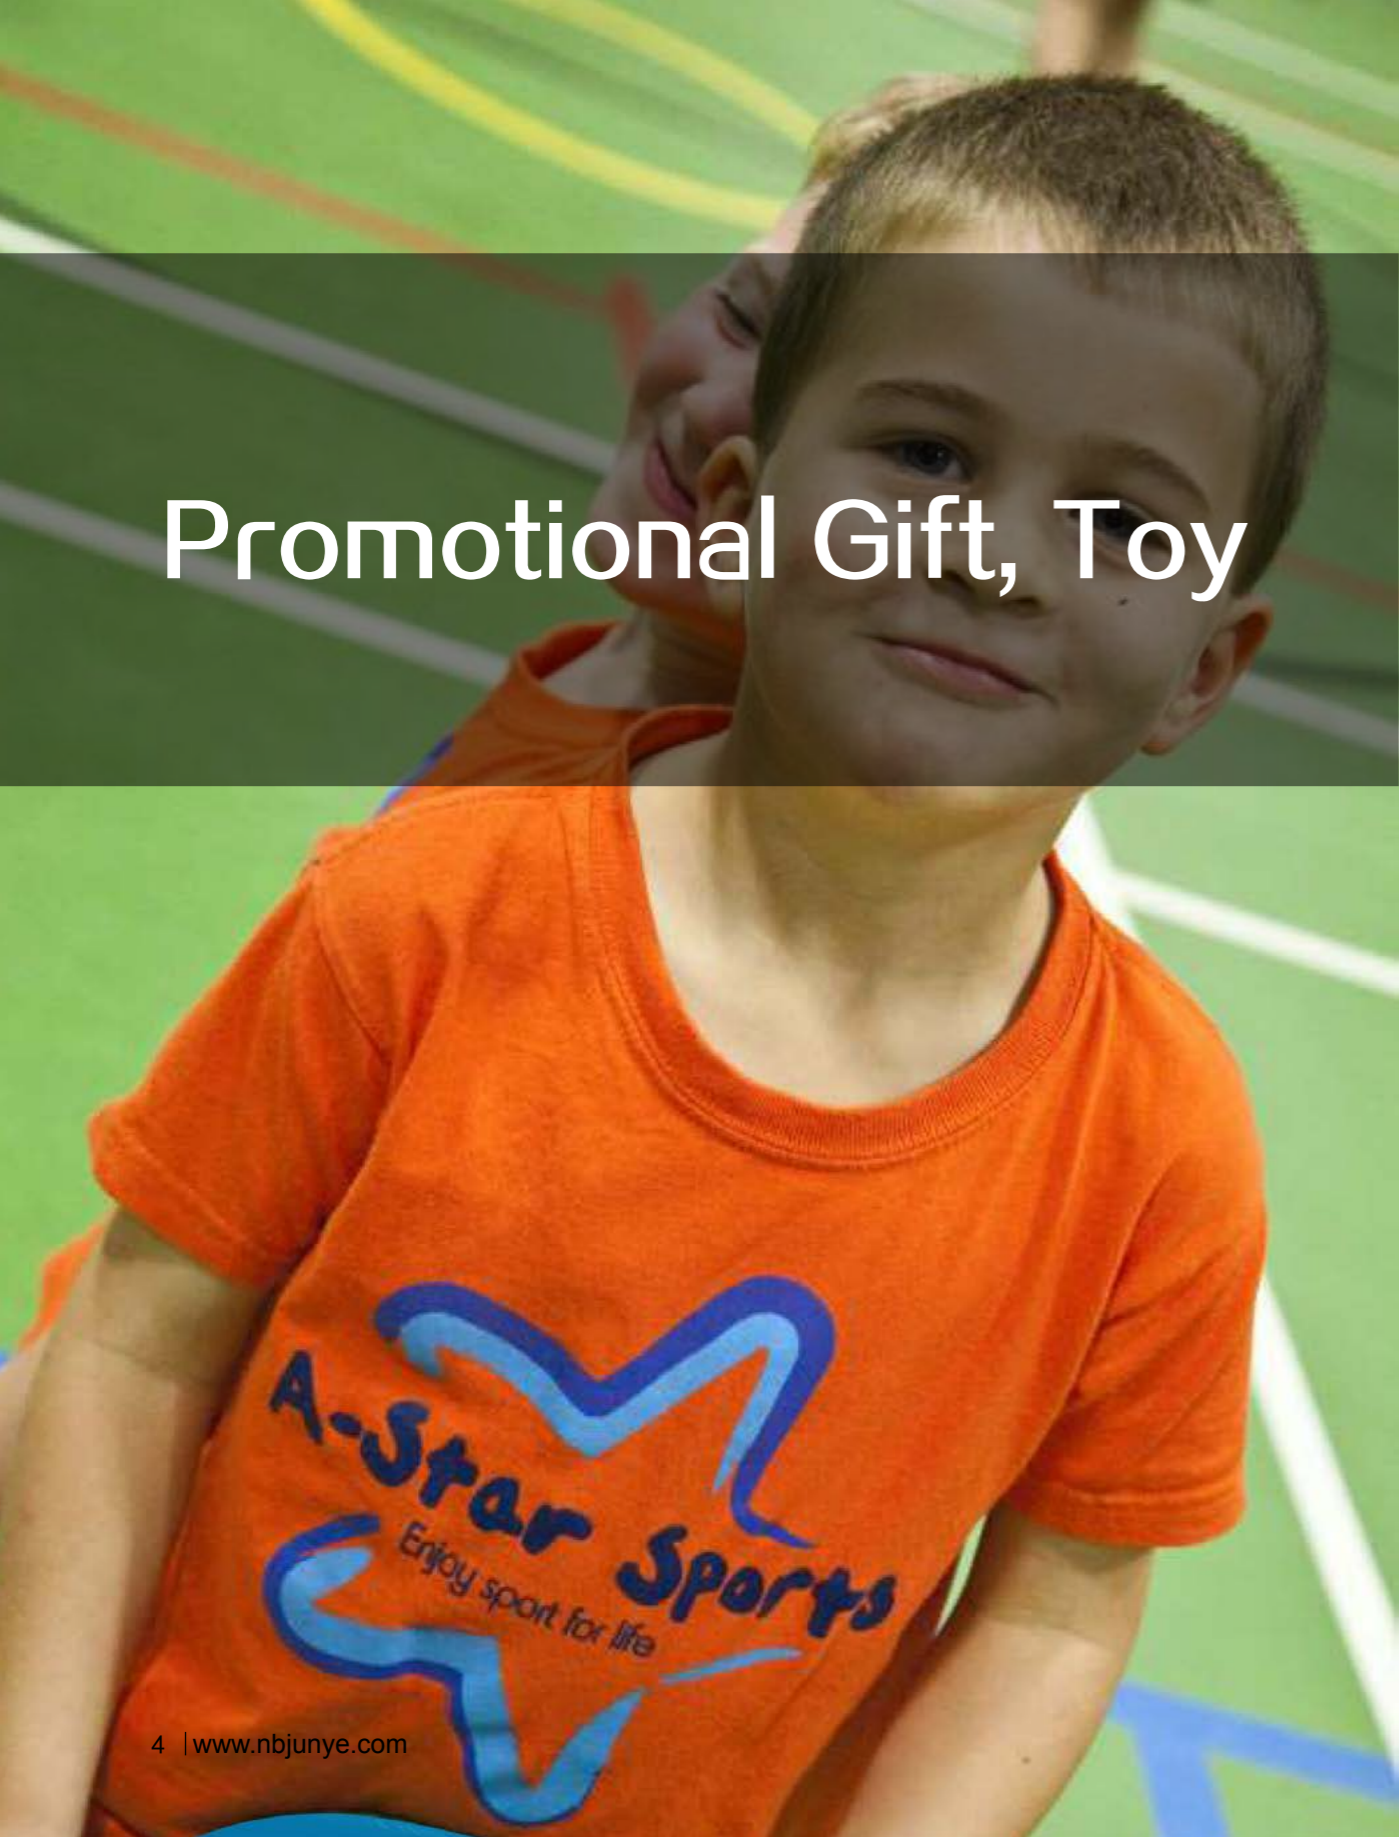

Ningbo Junye Sports & Stationery Article Co., Ltd. is a manufacture enterprise integrating development, production and marketing as a whole. It is situated in Zhejiang Cixi Economic Development Zone and less than an hours drive from both Hangzhou Bay Bridge and Ningbo Deep-water Harbor.

Basing on the advantaged geographic location and its efforts, it has developed into a large-scale enterprise occupying a ground area of over 8600 square meters. It boasts 100-odd automatic equipment such as full-computer plastic injection machine, automatic lathe, punch and ultrasonic welding machine as well as a team of technicians with rich experience. Its mainstream products include ball type aeration stitches and inflators up to more than 50 varieties, which sell well at both domestic and international markets. Especially stationery and sports toys, like jump ropes, whistles, basketball stands and frisbees, are well received by customers.

Through a human-valued and quality-oriented approach, the company adheres to the operation ideology of "Credit, Professional, Quality, Innovation" and sincerely welcome friends both at home and abroad.
