## TOPOTO 拓朴

### SPIN MOP LEADER MANUFACTURER

WUYI TOP Plastics Industry Co., Ltd was established in 2000. Its main products plastic products, from 2005 professional in producing spin mop for TV shopping supermarket and chain stores, most of goods export to Europe, South-east Asian countries, USA and some of Middle-east countries, it also supply for domestic market under a famous brand "TOPOTO" and has brand trademark for "DAVID" from 2016.

With strict quality control system, advanced & superb production technology, we dedicated to provide you qualified products and good after-service.

Our yearly output is around 3 million of SPIN MOP both on domestic market and exported to abroad, now we have been NO.1 spin mop supplier in the domestic market and the leader manufacturer in this industry.

TOPOTO has been awarded ISO9001-2015 Quality management system certificate, BSCI and business social compliance initiative, also with international patents, such as in Japan/Korea/Germany/USA.

We will keep going forward with your constantly encouragement, develop the best quality spin mop to be our common career, it would gradual be one part of our lives.
