

product name	product picture	specification	Fob price(USD)
anti slip mat		size:1500*1000*22mm weight:18.7kg	26.4
anti slip mat		size:1500*900*15mm weight:8.35kg	14.6
vaccine freezer		size:280*180*190mm weight:0.84 kg capacity:4L	3.5
marking pen		NW:40g color:red/blue/green	0.33
pig ear tag		GW:9g ;colors and numbe can be customized	0.12
		size:500*900*10mm weight:6kg	12

electric heat plate		size:550*1000*10 weight:7.5kg	15
		size:1000*1500*15	48
pig flapper		size:770*470*30mm weight:2kg	8.8
		size:970*770*30mm weight:4kg	12
		size:1210*770*30mm weight:6kg	15.6
pig free feeder(barrel)		capacity :10kg material :infection molding(with cap);rotational molding (without cap)	5.9
pig free feeder(feeding ball)		material:304/201	19.6 (201) /29.3 (304)
sows record card		material:Pvc	16.6/1000pieces
pig holder		weight:100g color:black material: pp(recovery) holder and steel rope	0.28

pig holder		weight:100g color:green material: PP(new)holder and steel rope	0.35
metal pig holder		weight:300g material: Chromium plating holder and steel rope	1.3
midwifery rope		length:750mm weight:60g material:stainless with plastic coating	0.6
material shovel		weight:215g material:PP capacity:4L	0.7
pig whip		weight:0.15kg length:495mm material:pp injection molding	1.18
pig catch plate		weight:0.4kg length:1050mm material:LDPE blow molding	1.96
water level controller		weight:0.3kg diameter:170mm	3.52

pig trolley		weight:55kg material:stainless stell/	196
material barrel(60kg)		height:630mm diameter:710mm(up mouth)/100mm(down mouth) weight:3.05kg capacity:113L material:pp injection molding	13.1
material barrel(80kg)		height:670mm diameter:650mm(up mouth)/180mm(down mouth) weight:3.05kg capacity:102L material:pp injection molding	15.8
material barrel(50kg)		height:840mm diameter:550mm(up mouth)/90mm(down mouth) weight:3.3kg capacity:83L material:pp injection molding	11.7
material barrel(40kg)		height:660mm diameter:460mm(up mouth)/90mm(down mouth) capacity:63.6L material:pp injection molding	10.2
material barrel(80kg)		height:840mm diameter:650mm(up mouth)/110mm(down mouth) weight:3.45kg capacity:102L material:pp rotational molding	19.8
material barrel(100kg)		height:890mm diameter:710mm(up mouth)/110mm(down mouth) weight:4.45kg capacity:150L material:pp rotational molding	24.2
