Company profile

Guangdong Chaozhou Xincheng Ceramics Co. Ltd. is the enterprise that professionally produce ceramic tableware , porcelain ware in the Southern Ceramic Town -- Fengxi district,Chaozhou city , Guangdong province. Our company has established in 1992 . To be with the business philosophy as "pragmatic,innovative, high quality, integrity" , we are continuously developing and growing althought in the fierce market competition. Our company covers an area of about 20000 square meters , and have more than 300 employees. We have passed the ISO9001:2000 quality management system certification , ISO14000:2004 environmental management system certification, OHSAS 18001:1999 Occupation Health and Safety Management System Certification, have got the Manufactory Certificate For Ceramic Tableware Export to The United States and have achieved "Key Taxpayer Enterprise on Chaozhou Fengxi District" during 2006 to 2010 year.

Our company mainly produce porcelain tableware , which is on fashionable appearance and unique design . Now we have developed into such an enterprise that include whole process from product design , developing, manufacturing, and packaging service. Our products are favored at home and abroad, and popularly sell in USA , Europe ect, many other countries . In recent years we are vigorously expanding our business at the domestic market .

We are sincerely to work with you for the mutual innovation and development . To promise our customers as "newer, better and more satisfied" , we hope can provide the perfect network sale service, and push our series fine porcelain ware to all over the world . Let us work together to create the greater future.

A little tough but also a little delicate, every corner is full of active elements, to bring the unique characteristics of XINCHENG ceramics, uncommon taste and low-pitched extravagance, just like the comfort free burden.
