

Radio control Fully Functional Professional Excavator Model

Scale 1:14

ITEM NO.1580
BOX SIZE:58x34.5x21CM

LED display remote control
2.4GHz frequency
Simulate real excavator manipulation
Unlimited Rotary
Realistic sound
Realistic real light

Excavator can move forward, backward, Left and right, workbench Unlimited rotary. Sound and light.
Simulate real excavator Manipulation.
Digging arm each joint can be independently controlled.
Shovel Interchangeable Fork and Drill (include)
Fully reflect the superior performance.

DIE-CAST METAL

12 Channel Radio control Tower crane Model

2.4GHz FREQUENCY CONTROL
Tower crane Workbench arm can unlimited rotary.
Hooks can move left and right, up and down. Sound Light.
Simulate real carrying materials manipulation.
Fully reflect the superior performance.

WIDTH-92.6cm / HEIGHT-122.3cm
LIFTING WEIGHT-500g

ITEM NO.1585
BOX SIZE:76.5x19x24.5CM

ITEM NO.1577
BOX SIZE:52.6x36.9x22.4CM
QTY:4PCS
MEAS:47x54x75CM
GW:20.68KG NW:18.68KG

2.4GHz FREQUENCY CONTROL
Forks are interchangeable with drop hooks.
Forklift up and down goods cargo lifting items function.
8-channel control, can move forward, backward, Left and right.
Sound and light. Auto demo. Fully reflect the superior performance.

ITEM NO.1578
BOX SIZE:53.5x22.6x21.9CM QTY:12PCS

Scale 1:16

DIE-CAST METAL

2.4GHz FREQUENCY CONTROL
Excavator can move forward, backward,
Left and Right, Workbench 680° Rotary. Sound Light.
Auto demo. Simulate Real Excavator Manipulation.
Powerful alloy bucket alloy dozer blade.
Digging arm each joint can be independently controlled.

11 Channel Radio control **Scarifier excavator Model**

ITEM NO.1587
BOX SIZE:48.5x16.5x26.5CM
QTY:8PCS
MEAS:69.5x50x54CM

Scale 1:16

DIE-CAST METAL

2.4GHz FREQUENCY CONTROL
Scarifier excavator can move forward, backward, Left and Right,
Workbench 680° Rotary. Sound Light. Auto demo.
Simulate Real loose soil Manipulation.
Powerful alloy scarifier. Big arm each joint can be independently controlled.

10 Channel Radio control **Bulldozer Model**

2.4GHz FREQUENCY CONTROL
Bucket loader can move forward, backward, Turn left, turn right, 360° Rotary. Sound Light.
Each joint can be independently controlled. Program presentation capabilities.
Simulate real manipulation. Fully reflect the superior performance.
